荷兰林堡省， 您通往欧洲市场的门户

区位优势

林堡省位于荷兰最南部，与比利时和德国接壤，在战略位置上属于西欧的中心地带。林堡省位居欧洲市场的核心部位，可以辐射接近5亿人口的庞大消费群体。林堡省周边为多个欧洲重要城市和地区所环绕，其中英国、Benelux（比利时、荷兰、卢森堡三国经济联盟）、德国和法国所组成的大三角更将林堡省紧紧包围。由于林堡省与鹿特丹港、阿姆斯特丹港和安特卫普港等欧洲港口以及与杜塞尔多夫、法兰克福、布鲁塞尔、阿姆斯特丹等国际空港之间的特殊联系，林堡省历来就是通往欧洲内陆的贸易枢纽和物流集散地。同时，林堡省与德国莱茵河鲁尔地区和包括杜塞尔多夫、科隆和马斯特里赫特在内的多个国际大型会展城市近在咫尺，这些都让林堡省成为您开拓欧洲市场的理想根据地！

经济优势

林堡省拥有一百多万居民和七万多家企业。林

堡省既是荷兰的贸易大省，同时又位于欧洲市场的核心地带。林堡省具有极其显著的区位优势以及深厚的文化底蕴，其独具魅力的工作和生活环境吸引了众多国际投资商来此投资。同时，林堡省又是欧洲的热点物流集散地，有超过450家跨国企业选择林堡省作为其启动欧洲业务的基点，目前这些企业在林堡省的雇员总数已超过四万五千人。更值得一提的是，2009年，林堡省以及荷兰市场对华贸易进口总额高达220亿欧元，出口额也达到了46亿欧元。

林堡省鼓励本地各行业的进一步发展，并通过众多的物流集散地对诸如运输和增值物流、农副产品、可持续能源、生物材料、化工、生命科学、汽车和机械制造等行业提供全方位的支持。林堡省依靠稳定高效的政治环境、经济环境和金融环境、独特的教育和人材优势以及极具吸引力的财税政策，使其成为众多国际投资商的投资地区首选。林堡省将传统与创新有机的结合在一起，同时融入了包括在中国文化

在内的多种文化特色，为本地居民营造卓越的生活品质。同时，林堡省以开放的姿态欢迎所有的国际投资商前来接洽投资，并为其提供方便友善的移民政策。

教育和人材优势

林堡省拥有接近五十万受过高等教育的国际型人材。同时，林堡省拥有的高水平国际化教育资源也让生活在林堡省的外国移民子女可以方便的在国际学校就读。马斯特里赫特大学（Maastricht University）是荷兰的一流学府，其特点是提供多种国际化课程，目前其43%的在校学生来自世界各地。林堡省的众多高等学院提供包括中文、商务管理、物流以及国际供应链管理等方面在内的课程。所有的这一切都保证了林堡省能够源源不断地为社会输送各种资质优越、技术熟练并熟练掌握多种语言（荷兰语、德语、英语和法语等）的国际化高水平专业人材。

Limburg geography

The most southern province of the Netherlands is strategically situated in the centre of Western Europe. Limburg shares a long border with Belgium and Germany. Limburg is the heartland of a massive European market with nearly 500 million consumers and is surrounded by key metropolitan areas within the triangle formed by the United Kingdom, the Benelux, Germany and France. Because of its exceptional hinterland connections between the European ports of Rotterdam, Amsterdam and Antwerp and international airports in Düsseldorf, Frankfurt, Brussels and Amsterdam, Limburg is considered to be the nexus of transport and communication. It is within a stone's throw from the German Rhein Ruhr area and international convention cities like Düsseldorf, Cologne and Maastricht. Limburg is the trade point for realizing your European expansion!

Limburg economy

Limburg has more than 1 million inhabitants and 70.000 businesses. Limburg is both a Dutch province

and a European region with a highly distinct character and a considerable cultural diversity which makes working and living very attractive. Limburg is a logistics hotspot location in Europe: more than 450 international companies employing over 45.000 people have chosen Limburg as a base for their European operations. With 22 billion Euros of import and 4,6 billion Euros of export China is of great importance to the Limburg and Dutch market.

The province of Limburg encourages and stimulates further development of main industries that already have a robust presence. Transport and value added logistics, agro-food, sustainable energy, biomaterials and chemistry, life sciences, automotive and machinery are sectors which are fully supported by comprehensive logistics and contact centre organizations. The province of Limburg is an excellent location to do business in, because of its stable and effective political system, superior macro-economic environment, efficient financial sector, flexible labour market and attractive tax regime. The pro-

vince unites tradition with progress and has an outstanding quality of life with additional support for Chinese cultural and language groups. Limburg offers a friendly immigration policy regime for Chinese investors which gives Limburg an open attitude to commerce and foreign entrepreneurs.

Limburg education

The labour force in Limburg counts almost 500,000 people and is well educated. Education is internationally recognized to be of high standard and the children of expatriates who are living in Limburg can attend international schools. Maastricht University is in the top of Dutch universities; its unique feature is the international scope of education offered: 43% of students at the Maastricht University are foreign. Universities of higher professional education offer Chinese language and business programs and special courses in international supply chain management. All guarantee a constant supply of high educated professionals who are multilingual (Dutch, German, English, French), qualified and skilled.

Limburg Development and Investment Company LIOF

When considering a new business in Limburg, Limburg Development and Investment Company LIOF will help foreign companies find the best location, contacts and venture capital opportunities. LIOF is an independent authority, concerned with the development of the Limburg economy and the promotion of its business climate. LIOF enables Chinese investors to get in contact with all kinds of representatives in the financial sector, professional services, logistic services providers, scientific organisations and government bodies. LIOF can also offer venture capital financing options.

LIOF has supported many foreign companies with their location in Limburg, to name a few: Abbott, Biostar Microtech, Boston Scientific, Centurion Wheels, Cooler Master, DHL, ExxonMobil, Haitima, KangDe Xin, Kobelco, Kubota, Medtronic, Ningbo Xinhai Electric, Nippon Carbide Industries, Sekisui Chemical, Shin-Etsu Polymers, Teijin Chemicals, UPS, Vodafone, Anhui Yingliu Group.
